DATA PROTECTION

The information you have given on this form is held by the Alton Allotment Association being subject to the following:-

- This data is physically and electronically securely stored by the Treasurer and available only to serving Committee Members.
- Each member is entitled to see his or her own entry by submitting a request to the Association.
- The Association itself uses this information to contact you to inform you of its activities over the year including administration, general meetings and Site matters.
- The Association does have dealings with third parties that may require basic personal information (name, address, preferred form of contact) to be passed to them. They are the Town Council, who are the allotment landlord, insurers, seed supplier and national allotment organisations.
- Your data will not be passed on to any other third party without your prior permission.
- The data will be deleted as and when you leave the Association.

The General Data Protection Requirement (GDPR) is effective from the 25th May 2018. It is a Europe-wide regulation. One specific requirement is that members of all organisations need to be made aware of the information held about them, the uses to which that data is put and the need to contract in to that GDPR requirement.

Please therefore sign overleaf to confirm your agreement to the Alton Allotment Association holding your data and using it in the ways stated above. Thank you.
